### How All Things Began

#### Lesson Two

**INTRODUCTION:** In all ages man has pondered how the earth, the sky, living things and he himself began. Many ingenious theories have been advanced, including the “nebular,” “planetesimal” and “evolutionary” theories. The Bible does not THEORIZE as to how all things began. Rather, it states these matters simply as facts as follows:

- I. “In the beginning God CREATED the HEAVEN and the EARTH”—Genesis 1:1.
  - A. The earth was without form and void—verse 2.
  - B. Darkness was upon the face of the deep—verse 2.
  - C. The Spirit of God moved upon the face of the waters—verse 2.
  - D. God said, “LET THERE BE LIGHT”—verse 3.

    2. God saw the light that it was good—verse 4.

NOTE: Consider how powerful is the Word of God. In each item of creation, God merely *spoke*—and it was so!
